Lessons are weekly and are \$20 per 1/2 hour lesson. Most lessons occur during the band period, but lessons can also be scheduled before and after school. Private lessons are a great way for students to receive one-on-one attention and can really help accelerate their growth as young musicians. Please feel free to contact me with any questions about lessons.

### About Me

I'm originally from Baltimore, Maryland, though I've been living in Austin since 2005. I maintain a full studio of private students and have over 10 years of teaching experience at all levels from beginner to college music major. I have music degrees from the University of Maryland and the University of Texas, and I perform regularly in the Austin area with ensembles of many different styles of music. Recent performances include: Austin Symphony Orchestra, Round Rock Symphony Orchestra, Austin City Brass Quintet, Zilker Theater Productions, Texas State Department of Musical Theater, Half and Half Productions, Blind Date Austin, The Austin Jazz Workshop.

In lessons I strive to create a fun and challenging environment catered to the specific needs of each student. I look forward to working with the trumpet students at Clint Small Middle School again this year!
